From briefcases, to backpacks, tablet cases to laptop sleeves, Case Logic designs tools that make life easier and more accessible.

A person is shown from the back, wearing a black quilted jacket over a white hoodie. They are carrying a black backpack with multiple compartments and zippers. The person is standing in an urban environment, with a concrete wall and a tall building with a red and black striped facade in the background. The lighting suggests it might be dusk or dawn. The text "LIFE, SIMPLIFIED." is overlaid in the center of the image.

LIFE, SIMPLIFIED.

People around the globe are asking: How can we save our oceans from plastic pollution? We listened and came up with a meaningful way to address the problem head-on. **REPREVE** Our Ocean are using ocean-bound plastic bottles. Plastic bottles are collected by hand from areas within 50km of coastlines that do not have a formal waste or recycling system.
